The Call of this Prophet

I was brought up as a born again christian. However, not one of the churches I attended when I was young believed in all of the five fold ministry. Most of them did not believe in miracles today. As far as I know not one of these would not have accepted the office of the prophet; and would consider anyone who called himself so a false prophet. This is what the Lord had to start with when teaching me concerning truth.

The Lord called me to be a prophet at age 18. During the time from this call until He began to give me prophecies and visions (1973 to 1994), the Lord taught me concerning Him and the Bible. This was an important period when I had to learn the meaning of the call and of the humble obedience that was required. I had to learn to discern between the false and the true. It was a time when I had to get used to the idea of God speaking to me on a regular basis, which He did. Many concepts I had of the Bible and of christian practices had to give way to Biblical teachings.

It was after this teaching time that God began to give me prophecies, starting in 1994. I had received a few before this, but only rarely. From this time on God began to use me as a tool for His kingdom.

God has told me to publish the prophecies, visions, dreams, and other revelations that He has given me so others can read and understand what He has to say to the church and to the world today. Most of these deal with the sin in the church and the judgments of God that are coming (and have already come) upon the earth.

Prophecies Through Thomas S. Gibson (2004)

The Prophecies for the Year 2004:

2004 01 28.1

For thus says the Lord. My people who are tormented by unbelievers within the churches are truly those who are My witnesses in all the land. For when those who are within the churches will not bow down and serve the Master, Jesus; then truly sin has come unto the churches. I seek those who will bow down and humble themselves and obey the Spirit of God.

2004 01 31.1

The Lord is looking for obedience and faith in Him. Listen, says God, I desire that you walk in the faith of the Lord Jesus' Blood bought salvation, His death, and resurrection, rather than to be concerned about vain theologies which you will not truly understand on this earth.

Look unto Jesus. Be filled with the Spirit. Submit to His will, and be a witness wherever you go and you will do the will of God thoroughly. Stand and believe the simplicity of salvation; for vain theologies divide those who do not understand the simplicity and the pureness of the gospel.

Therefore, go throughout the world and believe the resurrection of the Messiah and preach it to all you come into contact with.

2004 01 31.2

Those who seek the Lord and seek His will and bow down and worship the Creator of All will have signs following. For those who seek the signs will miss it! Those who seek Jesus will find Him and His signs following!! [Mark 16:17]

2004 02 2.1

My body, says the Lord, is headed into the last days, but it is not ready for the last days. They are influenced by the world around them. They do not pray. They do not fast. They do not meditate on My Word. But they spend time in front of the TV watching all the filth that is on there. They do spend time watching all the movies of the world. How is this feeding their spirit? I say they are weak, yes, very weak in the spirit, says the Lord.

Prophecies Through Thomas S. Gibson (2004)

2004 02 8.1

My true church is not a denomination, but rather it is My people gathering into a local congregation with a name that represents the local area. Beyond this is sin. For if one creates a division with Christ, one creates a division of My people which is wickedness.

2004 02 8.2

Thus saith the Lord. Those churches who are truly not part of division-making shall be blessed by Me. Those churches who will not stand as a true and separate church from divisions (denominations) shall be removed.

I will not longer have divisions within My body. They shall be removed.

I will do this in the coming years.

2004 02 23.1

Here this Word of the Lord. I am calling My people to repent from their sins and begin again to witness about Me to the world.

Again I am saying that My people need to turn to a life of living My Word and telling others about Me. For so many live a life unto themselves letting those around them go to hell.

2004 03 27.1

How many people, says the Lord, have I called out of My church to begin a teaching of My power? They should have been able to learn this within the church, but they could not because the church has preached against My power!

I said in My Word, that you shall do greater miracles than I did [John 14:12] Why is this not seen? Because the church preaches worldly man-made power and not Godly power through fasting and prayer!!

Prophecies Through Thomas S. Gibson (2004)

2004 03 27.2

Take no thought of your finances. I am the Lord of them and I will bless you. Instead work: for those who will not work shall not eat. Those who have spent their money selfishly on themselves will I judge, for the blessings of this earth are to give to the poor and to serve those in need!

2004 04 01.1

Thus saith the Lord. My people need to spend time in My Word. They are weak spiritually because they do not spend time before Me in reading of My Word, meditation of what they read, and fasting and prayer before Me.

There is coming a time when only the strong in the Spirit will be able to stand. Even now those that stand and believe everything that is in My Word are not necessarily strong. Only those that have spent time in prayer have built up spiritual strength. These are those that I use in spreading My Salvation throughout the earth.

2004 04 04.2

For thus says the Lord. The way to My heart is obedience, love, and prayer: obedience to all My ways found in the Word; love of all people, even those who hate you; and prayer time with Me. With these things in your life I can teach and have you go to whatever My will is. So says the Lord Jesus Christ.

2004 04 05.1

For this is not the Lord's will: to judge a nation in this way: to bring about the destruction of the poultry industry in British Columbia. But when the sin is strong enough I will judge the places that have turned after their own ways and not to My ways.

Slowly and surely I am placing My hand on the nation of Canada. It could be for blessing if there was repentance. But since the people reject Me, says the Lord, I will send destruction on various industries. This is done in this slow way to give the nation time to repent. But I assure you that the speed of judgment shall increase as time moves on.

Therefore let the world know that these things are happening because of the sin and not because of coincidence. So says the Lord.

Prophecies Through Thomas S. Gibson (2004)

2004 04 14.1

Thus saith the Lord. I wish to have My people hear My Word and not to doubt it. So many of My people doubt healing, doubt miracles, doubt the power of God in their lives. So many turn and believe the world around them more than they believe in Me.

Turn now and believe everything that is in My Word. Turn and believe that I am the God of the universe and I can move mountains for you. If you believe, you can receive many miracles daily. If you cannot, you can leave behind the God you serve and will not receive much from Him.

2004 04 23.1

There are many who walk in pride in the church thinking that they are someone important who will be used in the coming revival. But no! I will use the humble ones who are not part of the great organized man-made church. For the man-made man-organized church will not partake of what is to come. For what is to come must come through the unhindered move of the Holy Spirit. Anything else would taint the move of God. So says the Lord God.

2004 04 28.1

Thus saith the Lord. Here in this earth people have a pride and a will to control what they perceive to be there's—that is, they wish to control “their church.” But it is My church, saith the Lord. It is Mine. I bought and paid for it with My Blood. They are to serve Me, not themselves!

So therefore, remember to bow down and serve the King of Kings. Do not be concerned about the workings of the church, for I have that under control. Do concern yourself with what I wish you to do for Me.

Remember that all are called to witness and be a light wherever they go. Remember that I wish to control My church with those that I call to various ministries. Do not be dismayed that so many have gone astray after their own lusts in “owning their church.” It has always been this way and it will always be this way until I return. For I will return and set all things right.

Now remember to serve Me and not be concerned about the evils within the church, for I will take care of them in My way. Remember to not fight against your brothers in

Prophecies Through Thomas S. Gibson (2004)

the Lord, even if they are so obviously wrong. Remember to love them and by that love lead them into the truth, for it is by love that you can most serve Me.

Now put aside petty differences between you and all others. Remember to serve Me with love and to go out of your way to help others. So says the Lord.

2004 05 06.1

Thus says the Lord. Did I not command My people to submit to the leading of the Holy Spirit? Why then do I find man-organized man-controlled organizations who call themselves by My Name? In the book of Acts I saw the multitudes bow down and serve Me. But here in this world we now have an organization which is answerable to itself and the votes of its members.

Blasphemy! Great blasphemy!! So says the Lord!

2004 05 22.1

As I said in 2001 [2001 11 04.3], “they shall fight in Afghanistan. And they shall have a difficult time. And every time they think they have made progress they will find a huge price for that progress.”

And so they have. They are still there and they are still fighting in many remote locations. But their huge price is being found in Iraq. Most of the problems that have come upon America in that nation have befallen them as a result of Afghanistan. So note this. Many years have gone by and slowly this word is coming to pass.

Beware! There are many more attacks to come on the United States and these will come at their due appointed time!

2004 07 1.1

Thus says the Lord. I Am says that Canada will go into judgment. While Quebec will again turn to separation, much of the rest of Canada will go into the ways of satan. Judges shall push the homosexual agenda forward and this will hasten the judgments to come.

Stand and know that those who will stand for the Lord Jesus Christ will go forward into persecutions, but also blessings of the Lord. They will stand for the Word and many will be against them. But I will stand for them in these trying times.

Prophecies Through Thomas S. Gibson (2004)

Besides the homosexual agenda much sin will go forth. This new government will move in many ways to defend the “rights” of various people—meaning gay marriage and other perversions—but also stand against God’s Word and God’s ways. Therefore there shall be judgment against Martin personally. I will judge him because of the wickedness of his pro-homosexual agenda. So says the Lord.

2004 07 1.2

Harper will not do well as the official opposition. His remarks, both as leader and as former leader, will divide the Conservative party creating plenty of in-fighting.

2004 07 1.3

Thus saith the Lord. I have My hand on the U.S. They will not escape judgment. Slowly they are being drawn into wars and situations that will turn their enemies strongly against them. Only My protection will protect what is coming. Beware that the time is short and I am bringing about the fulfilment of all.

2004 07 3.1

My people deprive themselves by spending time in their own ways instead of spending time in My Word and in prayer. They miss the peace and joy they could be living in.

2004 07 5.1

Those people who are called by My Name and who stay the course in prayer and fasting have a much stronger testimony in the world. It is understood by those that what people see in them is of the Holy Spirit. The Holy Spirit shows through as they live their lives.

Those who do not pray as they should have a weak testimony because it is their flesh that people see and not the Spirit of God.

It is a must that christians who mean business with Me are on their face in prayer and humility before the throne of God.

Prophecies Through Thomas S. Gibson (2004)

2004 07 6.1

The church has tried to make things complicated when they are simple. Faith is simple. Miracles are simple. Salvation is simple. But those who study are always looking for the complex. Cry before God. Make straight your paths. Stand and defend God's Word. Do not compromise. These things are simple.

2004 07 16.1

For thus saith the Lord. My power is blowing through the church. It will burn with fire all things. Those that stand on the Word in truth shall remain. Those that stand in the power of this earth shall be brought down.

No more shall sin enter at the door. I will prevent this by My power, saith the Lord.

With a new and bold church I will enter these last days with power. No more worldliness in the church. My power shall flow as it once did when I left this earth.

Those things that remain from the fire I will take out of the financial institutions that dares call itself "church" and I will build again My people.

So says the Lord of all.

2004 07 30.1

Now thus saith the Lord. The time is growing short. The time of great judgment is arriving, but many have said in their heart, "it will not happen." But I say it shall be here soon. So beware: those that are spiritually prepared shall be okay, those that spend their time in the worldliness shall be damned. So says God.

2004 08 21.1

America. America. America. How dare you be so arrogant to say that you have raised yourself up? How dare you say you are great? How dare you not recognize the God that created this nation and raised it up in glory?

Prophecies Through Thomas S. Gibson (2004)

2004 10 17.1

Thus saith the Lord. Prayer is the answer to all things christian. A christian is only as strong as his prayer life. A church is only as strong as the prayer of the people. Without hours of prayer you cannot walk a truly christian walk. Without hours of prayer you cannot walk in the power of the Holy Spirit.

2004 11 20.1

I declare, says the Lord, that Bush would win the election. I declare, says the Lord, that the time of judgment upon the U.S. will continue.

First, Bush will surround himself with unwise counsellors. These will lead him away from wisdom and toward destruction.

Then, Bush will drag the U.S. into a situation that will enable China and Russia to attack. When all this is done according to My plan, judgment will become fierce upon fierce. So says the Lord.

2004 12 08.1

When My people who are far from Me begin to return, humble themselves, and be a light to those around them; then and only then can I move in the power of revival.

For revival can only come when My people spend their time in prayer, fasting, humility, and obedience, in love.

For few realize how close judgment on America is. If they could see what is about to happen it would shake them and send them to their knees.

Therefore, cry out and prepare your way for God. Prepare to bless those around you who are in need. Prepare to witness to the truth. Prepare to serve the Most High God.

For the time is close!

Prophecies Through Thomas S. Gibson (2004)

2004 12 29.1

For thus saith the Lord. I have used this format of the internet through this prophet to warn of what is to come. I have used this format to warn of what shall shortly take place. This is the end of the use of this format through this prophet. It is not the end of his work, but it is the end of this era.

Prepare to see the work of the hand of God. The time is close for the release of judgments, and to some extent, has already begun. So pray and fast, seeking the ways of God through obedience, humility, and love.
